ALL WORK REQUIRES AN INSPECTION PRIOR TO CONCEALMENT. All underground and under slab piping requires a pressure test prior to backfill being placed or covered. This permit is issued upon all work being in compliance with the Pa. Uniform Construction Code including all supplements and other applicable Fountain Hill Borough Regulations.

Contractor is responsible to call in all inspections with a required minimum 24-hour advance notice to the Borough's third-party inspector, Base Engineering, at (610) 437-0978.
