

RECYCLE YOUR MATERIAL WITH A COMPANY YOU CAN TRUST!

About Us

GER Solutions is an environmental friendly electronic recycler. We operate in a DEP Permitted facility and are R2 2013 and RIOS 2006 Certified. We are committed to helping out businesses, schools and residents with their recycling needs. We provide many services (fees may apply) such as Secured Hard Drive Destruction, Hard Drive Swiping, Asset Management, Drop off hours and Pick up services (businesses only). We strive to continue to keep our environment safe from ending up in landfills; and of harmful and hazardous waste. Recycle with a company who you can trust to abide by the local, state and federal laws.
