Sioux Street Property Owners/ Residents

RE: Sioux Street Reconstruction Project

To whom it may concern:

Grace Industries is the contractor that will be completing the Sioux Street Reconstruction Project. We will commence work the week of August 14, 2023, on the above reference project. This project consists of milling, grading, and paving the roadway between the intersections of S. Bergen Street and S. Hoffert Street. In addition, we will also be replacing some curbs and sidewalks between these intersections.

Please be aware that there will be a temporary road closure on Sioux St from S. Hoffert to S. Bergen beginning on Beginning August 14, 2023, through October 5, 2023. "No Parking" signs will be posted prior to the beginning of work in this area. Any vehicle parked in a "No Parking" zone will be towed at the owner's expense. Please make arrangements to park your vehicles on an adjacent street where street parking is not restricted during this time. The road will be closed allowing emergency access until the project is completed.

We realize that the construction is an inconvenience so thank you in advance for your cooperation and patience during this project.

If you have any further questions or concerns, please contact our office at 610-837-4100.

Sincerely,

Grace Industries, Inc.
